OUR FIRST YEAR HAS BEEN AN
INCREDIBLE JOURNEY FOR US!
WE THANK YOU FOR YOUR
SUPPORT, YOUR INSPIRATION,
AND ALL OUR NEWFOUND
FRIENDSHIPS!

Some photographic highlights of a great year! So much more.... so little space!!!

As we reminisce about our very successful past year, we realize that our most important objective going forward is to provide our participants with an environment that incites, is creative and comfortable, and goes the "extra mile" in ensuring that all leave with a sense of excitement about the possibilities that open up for you. We want to know that a spark have been lit to push your photography onto a new...and "inspired" level. And we want you to know that whenever you go on to win accolades for your photographic accomplishments, or achieve your own personal goals ... we are especially proud... because your successes are our successes!

We have learned a lot this year about how to improve and makes things even better ..thanks to all who have come to our "Out of Santa Fe" workshops, and those who have shared some exciting travel adventures with us. Everyone has had some areas of expertise that they have willingly shared with the group, and this "creative" camaraderie has been an extra bonus for all who have attended our workshops! And it is so gratifying to know that long after the workshops end, friendships and sharing endure....

Looking Ahead to 2012: Some great things are in store for the new year, including more workshops with specialized topics in our "Out of Santa Fe Studios" in Santa Fe....plus two trips to photograph the amazing White Horses of the Camargue in May... an exciting, once-in-a-lifetime photo safari to Botswana, Zambia and Zimbabwe in Africa in November. And of course, our signature Zapata Ranch shoot in October! Please check our website for details www.thewestredefined.com

AGAIN, WE WISH YOU A HAPPY HOLIDAY SEASON AND A NEW YEAR FILLED WITH CREATIVITY AND ADVENTURE!
